

**COMUNA DE MARÍA PINTO**

Map of the urban area of San Juan, showing the distribution of the population by census tract. The map is color-coded: orange for the central urban area and yellow for the peripheral urban area. The central urban area is outlined in red. The map shows a grid of streets and census tracts. The central urban area is the largest and most densely populated, while the peripheral urban area is smaller and less densely populated. The map is titled 'Distribución de la Población Urbana de San Juan' and includes a legend for 'Distribución de la Población Urbana'.
